4.2. Division of Property. The Property is divided as follows:

(a) Units. Each of the Units are separately shown, numbered and designated in the Plan, and shall be a separate feehold estate consisting of the space bounded by and contained within the interior unfinished surfaces (exclusive of paint, paper, tile or other finishes) of the perimeter walls, interior beams and columns, floors, ceilings, bearing walls, windows and exterior doors of each Unit. The Owners of the respective Units own the undecorated and/or unfinished surfaces of the perimeter walls, floors and ceilings surrounding the Unit. The Owner shall not be deemed to own pipes, wires, conduits, or

The following are not part of the Unit: bearing walls, perimeter walls, columns, floors, roofs, foundations, skylight shafts, heating equipment and installations, except the outlets thereof when located within the Units. The designation of each Unit will be by number and distinct street address. Each Unit shall have, as appurtenant to that Unit, the use of a boat dock and two underground parking stalls. Each Unit will have a 1/17th interest in the General Common Elements. Each Unit shall be subject to the provisions of this Declaration, the By-Laws of the Association, and all or any covenants running with the land and appurtenant to the Property.. These restrictions, covenants and provisions shall be binding upon the Unit Owners, their heirs, successors, personal representatives and assigns, for so long as this Declaration of Condominium and related By-Laws are in effect.

(b) Common Elements. The remaining portion of the Property constitutes Common Elements and defined in 1.7. Each Unit Owner shall have, as appurtenant to his or her Unit, an equal, proportionate interest in and to the Common Elements. The ownership of each Unit shall include a Unit and such undivided interest in the Common Elements. The common interest appurtenant to each Unit is permanent in character and cannot be altered and cannot be separated from the Unit. Any conveyance or transfer of the Unit shall include the undivided common interest, the Owner's membership interest in the Association, and any other benefits or burdens appurtenant to that Owner's Unit.

However, if an Owner has sold his or her Unit to a contract purchaser or rents it, the Owner, members of his or her family, guests or invitees shall not be entitled to use and enjoy the Common Elements while the Owner's Unit is occupied by such contract purchaser or tenant.

4.7. Encroachment Rights. If any portion of the Common Elements encroaches on any Unit or any part thereof or any portion of a Unit encroaches on any Common Element or Unit due to engineering errors, errors or adjustments in original construction, reconstruction, repair, settlement, shifting or movement of the building, or any other cause, the Owner of the encroachment shall have the right to maintain, repair or replace the encroachment, so long as it exists, and the rights and obligations of Owners shall not be altered in any way by said encroachment, settlement or shifting; provided, however, that no right shall be created in favor of an Owner if said encroachment occurred due to the negligent or intentional conduct of said Owner.

A non-exclusive easement shall exist through, over and across each Unit for structural support of the Unit and for the use, inspection, installation, maintenance, replacement and repair of such utility lines and mechanical equipment for the use of all of the Owners or the Owners being serviced by the air space being penetrated by such lines and/or equipment. The Developer reserves the right at any time during the development and sales period to grant easements for utilities over, under and across the Condominium to appropriate governmental agencies or public utility companies and to transfer title of utilities to governmental agencies or to utility companies. Any such easement or transfer of title may be conveyed by the Developer without the consent of any Owner, mortgagee or other person and shall be evidenced by an appropriate amendment to this Declaration and recorded in the Flathead County Records. All of the Owners and mortgagees of Units and other persons interested or to become interested in the Condominium from time to time shall be deemed to have irrevocable and unanimously consented to such amendment of this Declaration as may be required to effectuate the foregoing grant of easement.

5.4. Grant of Easements by Association. The Association, acting through its lawfully constituted Board of Directors shall be empowered to grant such easements, licenses, rights-of-entry and rights-of-way over, under and across the Condominium for utility purposes, access purposes or other lawful purposes as may be necessary for the benefit of the Association, subject, however, to the written approval of a majority of the Aggregate Votes of the Association.

5.5. Easements for Maintenance, Repair, and Replacement. The Developer, the Association and all public or private utilities shall have such easements over, under, across and through the Condominium, including all Units and Common Elements, as may be necessary to fulfill any responsibilities of maintenance, repair, or replacements which they or any of them are required or permitted to perform under the Governing Documents or by law. No animal may be kept on the Property if it is dangerous, unmanageable or uncontrolled. Kennels external to a residence are prohibited. All household pets shall be restrained by direct control by leash, tether or other restraint.

If a pet engages in any annoying activity, such as excessive barking, biting, harassing persons on the Property, eating or disturbing garbage, destroying vegetation or any other obnoxious activity, any Owner or the Board may give the owner of such animal ten (10) days written notice to restrain the animal from the activity. In such case, the owner shall be required to restrain his or her animal by tether or leash, keep the animal inside the Unit or otherwise cease the disallowed activity. If the owner then fails to comply, any Owner or the Board may resort to any legal means to remedy the nuisance activities caused by the animal, including, but not limited to, having the animal picked up by law enforcement authorities.

Such entry shall be made with as little inconvenience to the Owner as practicable, and any damage caused thereby shall be repaired at the expense of the Association unless the need for entry was caused by the Owner.

(e) Enforcement. The Board shall have the power to enforce the provisions of the Governing Documents in any manner provided by law or in equity, including but not limited to self help. The Association may impose fines or take disciplinary action against any Owner for failure to pay assessments or for violation of any provision of the Governing Documents. Penalties may include, but are not limited to, fines, recording a notice of noncompliance against a Unit, suspension of voting rights, or other appropriate discipline, provided the Owner is given notice and a hearing as provided in the By-laws. The Association shall have the power to acquire (by gift, purchase or otherwise), own, hold, improve, build upon, operate, maintain, convey, sell, lease, transfer, or otherwise dispose of real or personal property in connection with the affairs of the Association. Any transfer of real property, except the sale of a Unit acquired through foreclosure of assessment lien, shall be approved by the vote or written consent of a majority of the Aggregate Votes of the Association.

8.3. Commencement of Association's Duties and Powers. Until incorporation of the Association, all duties and powers of the Association as described in this Declaration, including all rights of consent and approval, shall be and remain the duties and powers of the Declarant. After the date of incorporation of the Association, the Association shall assume all duties and powers, and the Declarant shall be relieved of any further responsibility for performing those duties or exercising those powers.

8.4. The Association may revise or amend these Declarations at any time as follows:

(a) The Board or an Owner may propose any amendment, addition or deletion of these Declarations at any time. For any proposed change, the Board will give written notice of a proposed amendment to each member of the Association at least thirty (30) days prior to the Association's regular annual meeting. The proposed amendment may be summarized.

(b) At the annual meeting, the precise, proposed amendment will be distributed to each Member in attendance.

(c) The Association will discuss the merits of each amendment.

(d) The Association will provide each Member in attendance with a written ballot for each amendment. In order for there to be a vote, however, a quorum of those eligible to vote must be present. A quorum shall equal 50% of the Aggregate Votes.

(e) The Members will vote by secret, written ballot, with each Unit having only one vote. The ballots will be counted by the Association's secretary and by at least one other individual appointed to assist the secretary.

(f) The results of the vote will be announced at the meeting, with the number of Members voting in favor of the amendment and the number of Members voting against it.

(g) If two-thirds of those present and eligible to vote cast a ballot in favor of an amendment, then the amendment shall pass and the Declarations will be amended to reflect the change.

(h) The president and secretary shall give written certification, under oath, that these steps have been followed and that an amendment has been approved and the secretary shall record the amended declaration.

8.5. Other Duties and Powers. The Association and its Board of Directors acting in its behalf shall obtain, provide and pay for any other materials, supplies, furniture, labor, services, maintenance, repairs, structural alterations, insurance, or pay any taxes or assessments which the Board is required to secure or pay for pursuant to the terms of these Covenants or by law or which in its opinion shall be necessary or proper for the operation of the project or for the enforcement of these Declarations or other declarations pertaining to the Development, provided that if any such materials, supplies, furniture, labor, services, maintenance, repairs, structural alterations, insurance, taxes or assessments are specially provided for particular Units, the cost thereof shall be specially assessed to the Owners of such Units. The Association may likewise pay any amount necessary to discharge any lien or encumbrance levied against the entire properties or any part thereof which may, in the opinion of the Board constitute a lien against the Common Areas, rather than merely against the interests therein of a particular Owner, provided that where one or more Owners are responsible for the existence of such lien, they shall be

Page: 14

jointly and severally liable for the cost of discharging it, and any costs incurred by the Board by reason of said lien or liens, shall be specially assessed to said owners.

ARTICLE IX. ASSESSMENTS

9.1. Annual Assessment. The Board shall establish and levy annual Assessments in an amount that the Board estimates will be sufficient to raise the funds needed to perform the duties of the Association during each fiscal year. The annual Assessment shall also include a portion for reserves, as the Board considers appropriate to adequately meet the costs of the future repair, replacement or additions to the major Common Element improvements and fixtures that the Association is obligated to maintain and repair. Notwithstanding the foregoing, until January 1 of the year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment shall be \$1,000.00 per Unit. From and after January 1 of the year immediately following the conveyance of the first Unit to an Owner, the annual assessment shall be as determined by the Board.

9.2. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, re-construction, repair or replacement of a capital improvement upon the common area, such as landscaping and road maintenance, provided that any such assessment shall have the affirmative vote of two-thirds (2/3) of the Aggregate Votes. Written notice of any meeting called for the purpose of authorizing a special assessment shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. A Quorum must be present at the meeting to authorize the special assessment.

9.3. Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Units and may be collected on a monthly basis. All Units shall share all expenses attributable to maintenance and repair of General Common Elements. All Units benefiting from a Limited Common Element shall equally share all expenses attributable to maintenance and repair of said Limited Common Element. This provision shall not preclude the Association from making a separate or additional charge to an Owner for and on account of special services or benefits rendered, conferred, or obtained by said Owner.

9.4. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants, and each Owner, by acceptance of a deed therefore (whether or not it shall be so expressed in such deed), is deemed to covenant and agrees to pay to the Association: (1) Annual assessments or charges; (2) special assessments for capital improvements, as provided in Paragraph 9.2 above; (3) an amount sufficient to indemnify and hold the Association harmless from all obligations undertaken or incurred by the Association at or on account of an individual Owner's special request and agreement to repay the Association for all expenditures on account thereof; and (4) an amount sufficient to reimburse the Association for the cost of performing an obligation of an Owner hereunder which he or she has failed to timely pay or perform. All Assessments shall be due thirty (30) days from the date of mailing notice of such Assessments. All Assessments that are not paid within thirty (30) days from the date they are due and payable become delinquent and are subject to interest from the due date at the rate of ten percent (10%) per annum

and penalty charges. No Owner may exempt himself from liability for Assessments by waiver of the use of enjoyment of any of the Common Elements or by abandonment of his or her Unit. The aforesaid obligations together with interest, taxable court costs, reasonable attorney fees and all other collection expenses, shall be a charge and a continuing lien upon the Unit against which each such assessment is made, or with reference to which each such charge is incurred. Each assessment or charge together with interest, costs and reasonable attorney fees shall also be the personal obligation of the person who was the Owner of such Unit at the time when the assessment fell due or charge was incurred. If more than one person or entity owns a Unit, all such Owners shall be jointly and severally liable for the obligation.

9.5. Voluntary Conveyance. In a voluntary conveyance of a Unit, the grantee of the Unit shall be jointly and severally liable with the grantor for all unpaid Assessments by the Association against the latter for his share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee *therefore*. However, any such grantee shall be entitled to a statement from the Manager or Board setting forth the amount of said unpaid Assessments against the grantor due the Association and such grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid Assessments made by the Association against the grantor in excess of the amount therein set forth.

9.6. Date of Commencement of Annual Assessments; Dues. The annual assessments provided for herein shall commence as to all Units on the first day of the month following the purchase of the Unit. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment and of any special charges shall be sent to every Owner subject thereto. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth when the assessments and charges on a specified Unit have been paid.

9.7. Liens and Foreclosure. All sums assessed but unpaid shall constitute a lien on such Unit superior to all other liens and encumbrances, except only for tax and special assessment liens on the Unit in favor of any assessing authority, and all sums unpaid on a first mortgage or a first trust indenture of record, including all unpaid obligatory sums as may be provided by such encumbrance. To evidence such lien, the Manager or Board shall prepare a written notice of lien setting forth the amount of such unpaid indebtedness, the amount of accrued interest and late charges thereon, the name of the Owner of the Unit and a description of the Unit. Such notice shall be signed and verified by one of the officers of the Association or by the Manager, or his authorized agent, and shall be recorded in the office of the Clerk and Recorder of Flathead County, Montana. Such lien shall attach from the date of recording such notice. Such lien may be enforced by the foreclosure of the defaulting Owner's Unit by the Association in the manner provided in the Unit Ownership Act and as provided by the foreclosure of a mortgage on real property upon the recording of a notice of claim thereof. In any such foreclosure, the Owner shall be required to pay a reasonable rental for the Unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. Suit to recover a money judgment for unpaid Assessments shall be maintainable without foreclosure or waiving the lien securing the same. In any such proceeding the Owner may be required to pay the costs, expenses and attorney fees incurred in

filing a lien, and in the event of foreclosure proceedings, additional costs, expenses and attorneys fees incurred.

9.8. Bidding at Foreclosure. The Board on behalf of the other Owners shall have the power to bid on the Unit at a foreclosure or other legal sale and to acquire and hold, lease, mortgage with the same. Any lienholder holding a lien on a Unit may pay, but shall not be required to pay, any unpaid Assessments payable with respect to any such Unit, and upon such payment, such lienholder shall have a lien on said Unit for the amounts paid of the same rank as the lien of his encumbrance without the necessity of having to file a notice or claim of such lien.

9.9. Unpaid Assessments – Mortgagee. Where a lienholder or other purchaser of a Unit obtains title to the Unit as a result of foreclosure of the first mortgage or trust indenture, such acquirer of title, his successors and assigns, shall not be liable for the share of Common Expenses or Assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectable from all of the Units including such acquirer, his successors and assigns.

ARTICLE X. INTERPRETATION

The provisions of the Declaration and of the By-Laws to be promulgated and recorded herewith shall be liberally construed to effectuate the purposes of this Declaration and By-Laws and to create a condominium subject to and under the provisions of the Unit Ownership Act.

ARTICLE XI. MAINTENANCE AND ALTERATIONS

11.1. By Association. In addition to maintenance upon the Common Areas or Common Elements, the Association shall provide exterior maintenance upon each Unit which is subject to assessment hereunder, as follows: paint, repair, replace and care for exterior walls, roofs, gutters, downspouts, exterior building surfaces and other such exterior improvements. Such exterior maintenance shall not include improvements built or placed by an Owner on or within a deck or repairs or replacements caused by any of the perils covered by a standard fire insurance policy with extended coverage endorsement thereon, including, but not limited to glass surfaces, parking areas, or landscaping, or caused by flood, earthquake or other Acts of God.

11.2. Necessitated By Owner. In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, or guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the Assessment to which such Unit is subject.

11.3. By Owner. Except as provided in Paragraph 11.1, all maintenance items shall be the responsibility of each Unit Owner; provided however, that if a Unit Owner shall fail to maintain or make the repairs or replacements which are the responsibility of such Owner, and which are unsightly or a hazard or necessary for the good of the Condominium, then, upon vote of a majority of the board of Directors, and after not less than thirty (30) days written notice to the Unit Owner, the Association shall have the right (but not the obligation) to enter upon or into

the Unit and provide such maintenance or make such repairs or replacements, and the cost thereof shall be added to the Assessments chargeable to such Owner and shall be enforceable as a the lien as set forth above. Unit Owners are responsible to insure and maintain Limited Common Elements appurtenant to the Owner's Unit. No Owner may change, alter or remodel the exterior of his or her Unit without prior written approval of the Board. Further, an Owner shall not do any act or work that will impair the structural soundness or the integrity of the Building or impair any easement.

11.4. Access At Reasonable Hours. For the purpose of performing the maintenance authorized by this Article, the Association's agents or employees shall have the right after reasonably notice to the Unit Owner, to enter upon a lot or Unit or upon any portion of the Common Elements, at reasonable hours. Such notice is not required in the event of an emergency.

ARTICLE XII. INSURANCE

12.1. Association Insurance. All insurance policies upon the Condominium shall be purchased by the Association and shall be insured by an insurance company authorized to do business in Montana. The cost of all insurance shall be a Common Expense. However, an Owner shall pay any deductible or increased premium costs incurred by the Association due to the negligent or intentional act or omission of an Owner, his or her family, guests, tenants or pets, after notice and hearing as provided in the By-laws. The named insured shall be the Association individually as agent for the Owners and their mortgagees, the Declarant, and agents, employees, officers and directors, if applicable, without naming them. Such policies shall provide that payments for losses thereunder by the insurer shall be paid to the Association, or to an insurance trustee appointed by the Board. The Association shall furnish one (1) copy of each insurance policy and of all endorsements thereon to each Owner or mortgagee of an Owner on request.

12.2. Liability Insurance. Public liability and common area property damage insurance shall be purchased by the Board, or acquired by assignment from Declarant, as promptly as possible following its election, and shall be maintained in force at all times, the premium thereon to be paid out of the Association's funds. The minimum amounts of coverage shall be \$500,000.00 for personal injury to any one person; \$1,000,000.00 for personal injury to any number of persons sustained in any one accident or mishap, and \$100,000.00 property damage, or such higher amounts as the Board may determine. This policy shall insure against, but may not be limited to, injury or damage occurring in the Common Area or Common Elements.

(a) Fire Insurance – Major Policy for Common Area. A master or blanket fire insurance policy shall also be purchased or acquired by the Board as promptly as possible following its election, and shall thereafter be maintained in force at all times, the premium thereon to be paid out of the Association's funds as set forth above. Said insurance shall insure against loss from fire and other hazards therein covered, for the full insurable value of all of the permanent improvements upon the Common Area and Common Elements and the Units themselves, if desired by the Board. Said policy may contain extended coverage and replacement costs endorsements, if available, as well as

vandalism and malicious mischief coverage, special form endorsement, stipulate amount clause, and a determinable cash adjustment clause, or a similar clause or clauses to permit cash settlement covering full value of the improvements in the event of partial destruction. The policy shall be in such amounts as shall be determined from time to time by the Board. The policy shall name as additional insureds all owners and mortgagees of the subject property, or any part of it, as insureds, as their respective interests may appear.

(b) Other Insurance. The Board may purchase additional insurance as the Board may determine to be advisable including, but not limited to, workers' compensation insurance, demolition insurance to remove improvements that are not rebuilt, fidelity bonds, and insurance on Association-owned personal property. All premiums therefore shall be paid out of the Association's funds as set forth above.

(c) Owner's Additional Insurance. An Owner may carry such personal liability and property damage insurance respecting his individual Unit as he may desire; however, any such policy shall include a waiver of subrogation clause against the Association and all other Owners. Notwithstanding the foregoing, any diminution in insurance proceeds otherwise payable under the Association's policies that results from the existence of such Owner's policy will be chargeable to the Owner who acquired the other insurance.

(d) Mortgagee's Rights. With respect to insurance coverage under Paragraph "a" hereof, any mortgagee of record shall have the option to apply insurance proceeds payable to it in reduction of the obligations secured by its mortgage.

12.3. Damage and Destruction; Reconstruction. If any permanent improvement comprising a part of the Property, whether owned by an individual Owner or by the Association, shall be damaged by fire or other casualty covered by insurance, the proceeds of all such insurance policies shall be paid to the Association to be applied as hereinafter provided. If the damage or destruction shall be to one or more Units, the Board of Directors of the Association shall enter into a contract for the repair or reconstruction of the damaged improvements, upon such terms as the Board feels is in the best interest of the individual Owners as well as the Association. In the event that the proceeds from the insurance policies payable as a result of the loss to an individual Unit shall be insufficient for the repair or reconstruction of such Unit, the deficiency shall be promptly paid by the Owner of such Unit, failing which, such amount shall become a special charge and assessment against such Unit pursuant to the provisions of Article IX hereof. In the event of damage or destruction of any Common Elements or improvements upon the Common Area, the Board of Directors shall contract for repair or reconstruction of such improvements and if the proceeds of any insurance policies payable as a result of such loss are insufficient for such repair or reconstruction, the deficiency shall be the subject of a special assessment which shall be approved by a vote of the owners as provided in Article IX hereof. The insurance proceeds shall be paid to the contractor or contractors designated by the Board at such time and upon such obligations as may be designated by the Board. All repair or reconstruction shall be made in accordance with original plans and specifications therefor, or

Document Number: 200700023866
Page: 19

according to such revised plans and specifications as may be approved by the Board of Directors of the Association, subject to architectural review required under existing recorded documents.

In the event that improvements in and upon the Common Areas or Common Elements, shall not be rebuilt because the cost of rebuilding shall exceed the available insurance proceeds, and the members shall fail to approve a special assessment to cover the deficiency, the Board of Directors shall then cause any remaining portion of such improvements to be removed and the area cleared and landscaped in the most efficient and aesthetically pleasing manner possible. In the event that more than one individual Unit shall be substantially destroyed by fire or other casualty, and in the further event that at least sixty-six and two-thirds percent (66-2/3%) of the Aggregate Votes shall approve of the action, the damage and destroyed improvements shall not be rebuilt but rather the remaining portions thereof shall be removed, the land cleared and the lots occupied by such removed improvements shall, with the consent of the Owners thereof, be removed from the properties subject to this Declaration. Such destruction or rebuilding of a Condominium Unit or Units shall be governed by the Unit Ownership Act.

If the Board of Directors of the Association shall fail to proceed in good faith with the repair or reconstruction of any damaged or destroyed improvements, whether upon an individually owned lot or upon the Common Area or Condominium, and in any event, if reconstruction of an individual Unit or Condominium is not commenced within sixty (60) days after the casualty occurs and the insurance proceeds are received, the owners of such damaged improvement may proceed to negotiate and execute a contract for such repair or reconstruction and the Association which shall receive any insurance proceeds attributable to such loss shall pay such proceeds, to the extent required, to the contractor or contractors selected by such individual owner(s). In the event that the Board of Directors shall fail to proceed in good faith to repair or rebuild damaged or destroyed improvements upon the Common Areas, any individual owner may call a meeting of the Association upon thirty (30) days notice in writing to all Owners and such Association may act, through its membership to proceed upon a simple majority vote of the members present and voting to enter into contracts for the repair and reconstruction of any damaged improvements. The excess of any proceeds not required to repair or restore an improvement, shall be paid by the Association to the Owner or the institution who shall pay the premium for such insurance coverage.

12.4. Procedures Without Repair: If damage extends to one-third (1/3) or more of the Units, and ninety percent (90%) of the Aggregate Votes vote against repair and reconstruction, the Property shall not be repaired. Such vote must be conducted within sixty (60) days of the damage or destruction. In that event, the Property shall be considered owned as tenants in common by all Owners. Each Owner shall own a 1/17th interest. Liens affecting any Unit shall be liens in accordance with then existing priorities, against the undivided interest of the Owner in the Property owned in common. The Property shall be subject to an action for partition at the suit of any Owner. The net proceeds of sale, together with the net proceeds of the insurance on the Property, if any, shall be considered as one fund and shall be divided among the Owners in proportion to their respective undivided interests after first paying out of the respective shares of the Owners, to the extent sufficient for the purpose, all costs and liens on the undivided interest in the Property owned by each Owner.

Document Number: 200700023866

20 Page: 20

12.5. Condemnation. The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Elements, or part thereof. In the event of a taking or acquisition of part or all of the Common Elements by a condemning authority, the award or proceeds of settlement shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear. The remaining portion of the Property shall be resurveyed, if necessary, and the Declaration shall be amended to reflect such taking and to readjust proportionately the percentages of undivided interest of the remaining Owners in the Property. In the event of an award for the taking of any Unit by eminent domain, the Owner of such Unit shall be entitled to receive the award for such taking, and after acceptance thereof he or she and his or her mortgagee shall be divested of all interest in the Condominium, if such Owner shall vacate his or her Unit as a result of such taking. The remaining Owners shall decide by majority vote whether to rebuild or repair the Condominium, or take other action. The remaining portion of the Condominium shall be resurveyed, if necessary, and the Declaration shall be amended to reflect such taking and to readjust proportionately the percentages of undivided interest of the remaining Owners in the Property. In the event of a taking by eminent domain of any part of the Common Elements, the Association shall participate in the negotiations.

If there is a substantial taking of the Property [more than seventy-five percent (75%) of all Property improvements], the Owners may sell the remaining Property with the vote or written consent of ninety percent (90%) of the Aggregate Votes of the Association. For the purpose of effecting a sale under this section, each Owner grants to the Association an irrevocable power of attorney to sell the entire Property and to dissolve the Association.

In the event the Association fails to take the necessary steps to repair and resurvey, or to sell the entire Property as permitted hereunder within sixty (60) days following the date of condemnation, any Owner may file a partition action as to the entire Property under Montana Code Annotated, Section 70-23-803, or any successor statute, and the court shall order partition by sale of the entire Property and distribution of the sale proceeds as provided herein. The proceeds from the partition sale shall be distributed to the Owners and their respective mortgagees as determined under the method described in paragraph 4 above.

12.6. Failure to Insure. The Association and its directors and officers shall have no liability to any Owner or lien holder if, after a good faith effort, it is unable to obtain the insurance required hereunder because the insurance is no longer available or, if available, can be obtained only at a cost that the Board determines is unreasonable under the circumstances, or the Owners fail to approve any Assessment increase needed to fund the insurance premiums. In such event, the Board shall immediately notify each Owner and lien holder that the insurance will not be obtained or renewed.

ARTICLE XIII. UTILITIES

13.1. Rights and Duties of Unit Owners. The rights and duties of the Unit Owners with respect to sanitary sewer, water, electricity, gas and telephone lines and facilities shall be governed by the following:

Document Number: 200700023866
Page: 21

(a) Resolution of Disputes. In the event of a dispute between Owners with respect to the repair or rebuilding of common sanitary sewer or water connections, lines or pipes, or with respect to the sharing of the cost thereof, then upon written requests of one of such Owners, addressed to the Association, the matter shall be submitted to the Board of Directors who shall decide the dispute, and the decision of the Board shall be final and conclusive on the parties.

(b) Multiple Unit Utility Meters. In the event that duplex Units shall be served by water, gas, electricity or other utilities through a single meter, the Board of Directors may establish a fee for such utility service to be paid by each Owner in lieu of a separate metered charge for such utility service. Such fee, on a pro-rata basis, shall represent a reasonable estimate of the utility cost of providing service through such meter but such fee may provide for a reserve fund for unusual demand or other contingency. The amount of any fee for utility service shall be assessed and the full amount thereof shall be secured by a lien as provided in this Declaration. In addition to the foregoing, the Units shall be subject to an assessment for any Special Improvement District improvements, and each member shall pay to the Association, monthly, an appropriate amount in order to permit the Association to pay each installment of the assessment levied for Special Improvement District improvements.

ARTICLE XIV. MISCELLANEOUS

14.1. Benefit. Except as otherwise provided herein, this Declaration shall be binding upon and shall inure to the benefit of the Declarant, the Association, and each Unit Owner, and the heirs, personal representatives, successors and assigns of each.

14.2. Enforcement. Each Owner, tenant or occupant of a Unit shall comply with the provisions of the Governing Documents and resolutions of the Board, all as lawfully amended from time to time, and failure to comply with such shall be grounds for an action to recover sums due, for damages, or for injunctive relief. Each Owner shall be responsible to the Association for compliance with the foregoing by his guests and lessees. The Association, or any Owner, shall have the right (but not the obligation) to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of the Governing Documents, and in such action shall be entitled to recover attorney fees and costs as ordered by the court. Only the Association can enforce the Owners' obligation to pay Assessments.

14.3. Nonwaiver. Failure by the Association or by any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

14.4. Violation and Nuisance. Every action or omission whereby a covenant, condition or restriction of the Governing Documents is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated, whether or not the relief sought is for negative or affirmative action, by the Association, or any Owner.

Document Number: 200700023866

14.5. Violation of Law. Any violation of any state, municipal or local law, ordinance or regulation pertaining to the ownership, occupation or use of any portion of the Condominium is hereby declared to be a violation of these restrictions and subject to any or all of the enforcement procedures herein set forth.

14.6. Remedies Cumulative. Each remedy provided by these Restrictions is cumulative and not exclusive.

14.7. Service of Process. The name and address of the person to receive service of process for the Condominium until another designation is filed of record shall be CRAIG DENMAN, 5:00 SOMEWHERE, LLC, 159 Old Hwy 93 South, Somers, Montana 59932.

14.8. Notice to lienholder. A first lienholder, upon request, will be entitled to written notification from the Association of any default in the performance by an individual Owner of any obligation under the Governing Documents which is not cured within sixty (60) days.

14.9. Warranties. The Declarant expressly makes no warranties or representations concerning the property, the Units, the Declaration, the By-laws or deeds of conveyance except as specifically set forth therein and no one may rely upon such warranty or representation not so specifically expressed therein. Estimates of common expenses are deemed accurate, but no warranty or guarantee is made or is intended, nor may one be relied upon.

14.10. Notices. All writings required or permitted to be given or delivered under this Declaration shall be deemed given or delivered, if the writing is directed to the Association, by delivering it personally to an officer of the Association, or if such writing is directed to the Unit Owner, by delivering it personally to such Owner, or if mailed, in a sealed wrapper by United States registered or certified mail, return receipt requested, postage prepaid, properly addressed, if to the Association, P.O. Box 153, Somers, Montana 59923, and if to such Owner, at the Owner's address shown on the records of the Association. Each such mailed writing shall be deemed to have been given or delivered when deposited in the United States mail as above provided. Each such personally delivered writing shall be deemed given or delivered upon delivery thereof to the Owner or the Owners duly authorized representative in the manner above provided. The Association may change its address for the purposes of delivery of such writings by delivering written notice of such change to the Owner in the manner above provided at least ten (10) days prior to the effective date of such change.

**ARTICLE III
MEETINGS OF MEMBERS AND VOTING**

3.1 **Membership and Voting:** Membership shall be held as provided in the Declaration. Each Member shall be entitled to one vote per Unit ownership. If more than one person or entity owns a Unit, the multiple owners are entitled to vote one vote together. There shall be no fractional voting.

0924660

3.2 **Annual Meeting:** The annual meeting of the Members shall be held in the month of January, at a date, time and place to be set by the Board. The first annual meeting shall be held in January following the first sale of a Unit from the Declarant to a third party.

3.3 **Special Meetings:** Special meetings of the Members shall be promptly scheduled at any time by the Board in response to the vote of the Board, or a request by the President, or upon written request of twenty percent (20%) of the Members of the Association.

3.4 **Notice and Place of Meetings:** Written notice of each meeting of the Members, annual or special, shall be given by, or at the direction of, the secretary or manager, by personal service by a process server or mailing a copy of such notice, first class mail, postage prepaid, at least thirty (30) days but not more than sixty (60) days before such meeting, to each first lienholder requesting notice and to all Members, addressed to the Member's address last appearing on the books of the Association, or supplied by such Member to the Association for the purpose of notice. If more than one person or entity owns a Unit, one notice shall be sent or served at the address designated in the Association's books. Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting. If action is proposed to be taken at any meeting for approval of any proposals, the notice shall also state the general nature of the proposal. Member action on the following items is invalid unless the notice states the general nature of the proposal(s): (a) removing or electing a director; (b) amending the Governing Documents; (c) approving a conflict of interest transaction with a director; (d) indemnification of officers, employees or agents; (e) merger; (f) sale of assets; or (g) dissolution. Meetings shall be held within the Property or at a meeting place within the same county, as close to the Property as possible.

3.5 **Quorum:** The presence either in person or by proxy, at any meeting, of a majority of the Members of the Association shall constitute a quorum for any action except as otherwise provided in the Declaration, or these Bylaws. If, however, such quorum shall not be present or represented at any meeting, the Members thereat shall have power to adjourn the meeting to a date not less than five (5) days and not more than thirty (30) days later. Notice of the time and place of the adjourned meeting shall be given to Members in the manner prescribed for special meetings. The quorum for any such adjourned meeting shall not be less than one-third of the Members of the Association.

3.6 **Proxies:** At all meetings of Members, each Member may vote in person or by proxy. All proxies shall be in writing and filed with the secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the Member of his or her Unit, or upon receipt of written notice by the secretary or the manager of the death or judicially declared incompetence of a Member, or upon the expiration of eleven (11) months from the date of the proxy. Any form of proxy distributed by any persons to the Members shall afford the opportunity to specify a choice between approval and disapproval of each matter to be acted upon. The proxy shall provide that, where the Member specifies a choice, the vote shall be

cast in accordance with that choice. The proxy also shall identify the person or persons authorized to exercise the proxy and the length of time it will be valid. In addition, voting by proxy shall comply with any other applicable requirements of Montana Code Annotated, Section 35-2-539.

3.7 **Conduct of Meetings:** Meetings of the Members shall be conducted in accordance with a recognized system of parliamentary procedure adopted by the Board. Notwithstanding any other provision of law, notice of meetings of the Members shall specify those matters the Board intends to present for action by the Members, but, except as otherwise provided by law, any proper matter may be presented at the meeting for action.

3.8 **Action Without Meeting:** Any action that may be taken at any annual or special meeting of Members (except for the election or removal of directors) may be taken without a meeting in accordance with the provisions of Montana Code Annotated, Section 35-2-529. Any form of written ballot distributed by any persons to the Members shall afford the opportunity to specify a choice between approval and disapproval of each matter to be acted upon.

ARTICLE IV DIRECTORS

4.1 **Number and Qualification:** The affairs of this Association shall be managed by a Board of five (5) directors, all of whom must be Members in good standing. For the purposes of this section, good standing means current in the payment of Assessments and in compliance with the Governing Documents. Where more than one person owns a Unit, only one Owner from that Unit may serve on the Board. Notwithstanding the foregoing, until seven (7) Units are sold, Declarant may select any number of the directors, which directors do not have to be Members of the Association.

4.2 **Nomination:** Nomination for election to the Board may be made by a nominating committee appointed by the Board. Nominations may be made by petition signed by twenty percent (20%) of the Members. Nominations may also be made from the floor at the annual meeting. The nominating committee shall consist of a chairman, who shall be a director, and one (1) or more Members. The nominating committee may be appointed not less than ninety (90) days prior to each annual meeting of the Members, to serve until the close of such annual meeting. The nominating committee may make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. All candidates shall have reasonable opportunity to communicate their qualifications to Members and to solicit votes. Notice to the Members of the annual meeting shall include the names of all those who are nominees at the time the notice is sent.

4.3 **Election:** The initial directors shall be appointed by the Declarant. Thereafter, the election of the Board shall be conducted at the annual meeting of the Members. At such

election the Members or their proxies may cast their vote for each vacancy. The persons receiving the largest number of votes shall be elected. There shall be no cumulative voting. Voting for directors or for their removal shall be by secret written ballot.

4.4 **Term:** At the first annual meeting of the Members, three (3) directors shall be elected for a term of two (2) years, and two (2) directors shall be elected for a term of one (1) year. Thereafter, the term of each director shall be two years. Unless vacated sooner, each director shall hold office until the director's term expires and a successor is elected.

4.5 **Removal; Vacancies:** Any director may resign by giving notice to the Board. Any director, except a director appointed by the Declarant, may be removed by the vote of a majority of a quorum of the Members. Notwithstanding anything to the contrary contained in this paragraph, any director, except a director appointed by the Declarant, who fails to attend three (3) consecutive Board meetings or becomes 90 days delinquent in the payment of assessments may be removed from office by a vote of the Board, and the successor director shall be chosen by the Board. If a director dies or resigns, the vacancy shall be filled by the Board at a duly held meeting, or by the sole remaining director. The Members may elect a director at any time to fill any vacancy not filled by the Board. A vacancy created by the removal of a director by the Members can only be filled only by election by the Members. A successor director shall serve for the unexpired term of his or her predecessor.

4.6 **Compensation:** No director shall receive compensation for any service rendered to the Association as a director. However, any director may be reimbursed for his or her actual expenses, if reasonable, incurred in the performance of his or her duties.

4.7 **Indemnification:** The Association shall indemnify any present or former director or officer of the Association to the fullest extent authorized under Montana Code Annotated, Sections 35-2-447 and 35-2-452, or any successor statutes.

ARTICLE V MEETINGS OF DIRECTORS

5.1 **Regular Meetings:** Regular meetings of the Board shall be held quarterly or as often as deemed necessary by the Board at such time as may be fixed from time to time by resolution of the Board.

5.2 **Special Meetings:** Special meetings of the Board may be called by the president, vice president or any three (3) Directors.

5.3 **Notice and Place:** Board meetings shall be held on the Property or a meeting place within the County, as close to the property as possible. Notice of the time and place of

regular and special meetings of the Board shall be given to each director at least four (4) days by first class mail or seventy-two (72) hours delivered personally or by telephone or other electronic means prior to the meeting. For a special meeting, the notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one (1) of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, including a voice message system or other system or technology designed to record and communicate messages, telegraph, facsimile, electronic mail or other electronic means, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director. All such notices shall be given or sent to the director's address, email address, or telephone number as shown on the records of the Association. Notice of all Board meetings, except emergency meetings, shall be given to the Members by posting in prominent places in the Common Element, by mail, or by newsletter at least four (4) days prior to the meeting. In addition, notice shall be mailed at least four (4) days prior to the meeting to any Member who has requested notification of Board meetings by mail, at the address requested by the Member.

5.4 **Quorum:** A majority of the directors shall constitute a quorum for the transaction of business. Every act performed or decision made by a majority of the directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board.

5.5 **Open Meetings:** All meetings of the Board shall be open to all Members, and the Board shall permit any Member to speak at any meeting of the Board, except for meetings of the Board held in executive session. The Board shall establish a reasonable time limit for all Members to speak before a meeting of the Board.

5.6 **Executive Session:** The Board may meet and convene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and matters relating to the formation of contracts with third parties. Matters involving Member discipline or assessment payments shall be held in executive session and the Members involved are entitled to attend. Any matter discussed in executive session shall be generally noted in the minutes of the immediately following open meeting.

5.7 **Telephone Attendance:** In the case of absence, a director may participate in a Board meeting by conference telephone, so long as all directors and Members participating in the meeting can communicate with one another.

5.8 **Action Without Meeting:** In the case of an emergency, any action required or permitted to be taken by the Board may be taken without a meeting if all directors consent in writing to the action. Such action by written consent shall have the same force and effect as a unanimous vote of the Board. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. An explanation of the action taken shall be reported in the minutes

and posted at a prominent place or places within the Common Elements within seven (7) days after the written consent of all directors have been obtained.
